WEEKLY REFLECTION

Bearing Fruit in God's Vineyard

Sunday Gospel Reflection – Matthew 21:33-43

In today's Gospel, Jesus speaks of a vineyard lovingly prepared by its owner and entrusted to tenants. The vineyard reminds us of all that God has entrusted to us—our lives, families, talents, faith and our parish community.

The tragedy is that the tenants forget that the vineyard belongs to the owner. They reject his messengers and finally his son. The son points to Jesus, who was rejected and crucified, yet became the “keystone” of our salvation. This Gospel invites us to ask: What fruit are we producing in God's vineyard?

As members of the Church, we are called not merely to receive God's gifts, but to share them generously. Our faith must bear fruit in love, forgiveness, compassion, service

and care for others. Our families and parish are places where this fruit should be seen and experienced.

Everything we have is ultimately a gift from God. We are stewards, not owners.

As we gather around the Eucharistic table, let us ask the Lord to renew our hearts and help us become faithful stewards of His vineyard. May our lives bear abundant fruit and help others encounter the love of Christ.

“Lord, help us to be faithful workers in Your vineyard and to bear fruit that glorifies Your name.

The Sacred Symphony: The Significance of Bells in the Catholic Mass

In the rich tradition of the Catholic Church, the ringing of bells has long been a meaningful part of Christian worship. Their sound calls the faithful to prayer, marks sacred moments, and invites us to turn our hearts and minds towards God.

From ancient times, bells have been associated with the presence of the divine and with communal prayer. As the Church developed through the centuries, church bells became an important part of Christian life, calling people to Mass, prayer, celebrations, and other significant moments in the life of the Church.

During Mass, the sound of the altar bells has a particularly profound significance. Traditionally rung around the Eucharistic Prayer and especially at the consecration, the bells call our attention to the sacred mystery taking place before us—the Body and Blood of Christ becoming

present in the Eucharist. Their sound is an invitation to pause, listen, and enter more deeply into the mystery of God's presence.

Bells also express the many dimensions of the Church's liturgical life. Their joyful peal accompanies great celebrations such as Christmas and Easter, while their solemn toll can accompany moments of mourning and funerals, reminding us of our Christian hope in the Resurrection and eternal life.

Thus, bells are far more than musical instruments. They are a sacred voice that speaks without words—calling us to prayer, awakening our reverence, and reminding us that we are gathered in the presence of God.

The next time we hear the bells ring during Mass, may we listen not only with our ears, but also with our hearts, recognizing the sacred mystery being celebrated before us.

The Mission Rosary Committee of the Pontifical Mission Societies of the Archdiocese of Kuala Lumpur, in collaboration with AMNEC (The Archdiocesan Mission of New Evangelisation for Christ) and guided by Fr. Edwin Peter, has prepared a Mission Rosary for the New Evangelisation e-Booklet. This booklet is specifically for October's World Mission Month. Adapted from the tradition of the 2019 Extraordinary Missionary Year, the guide emphasises the Church's universal mission while incorporating Malaysian contextual intentions. Designed for families, BECs, and parishes, the booklet is available in English, Bahasa Malaysia, Mandarin, and Tamil. Scan the QR Code on poster to download the booklet.
